OCTOBER LIVE IMPLEMENT SALE

Lawrie & Symington Ltd held their Live Implement Sale on Thursday 8th October which saw an excellent turnout of buyers and a yard packed with machinery and equipment.

The Linton, Sornfallow Displenishing Sale attracted particular interest, with the Landini 6-155RS selling for £40,500 following strong competition from both ringside and online bidders.

Overall, a fantastic day's trading with a lively atmosphere and strong demand across all sections.

Thank you to everyone who entered machinery, attended the sale and supported the market.

Our next sale will be an Online Sale held on Thursday 5th November, and we are now accepting entries.
