Hillhouse Online Displenishing Sale

Lawrie and Symington Ltd were yet again favoured with another Online Displenishing Sale for Messrs L & J Kennedy, Hillhouse Farm.

A successful and well supported sale drew strong interest from buyers across the UK and Ireland.

The highlight of the sale was a Massey Ferguson 5455 with a 946 Loader, which achieved the top price of £36,400, reflecting the strong demand for good quality, modern machinery.

Overall, we were extremely pleased with how the sale progressed, supported by strong buyer participation. Consistent demand and the high standard of machinery on offer played a key role in delivering excellent results across the board.
